## AGENDA

- To ensure a ragging-free environment within the college campus, several measures can be implemented. These measures aim to prevent any form of ragging and promote a safe and inclusive atmosphere for all students.

## DISCUSSION POINTS

- To effectively combat ragging within the college campus, it is essential for each department to establish anti-ragging squads consisting of final year students and faculty members.
- Comprehensive awareness sessions should be conducted to educate senior students about the legal consequences associated with engaging in ragging activities.
- Furthermore, anti-ragging posters containing relevant contact information should be prominently displayed on notice boards across all departments.
- Dedicated staff members from the anti-ragging squad should conduct regular patrols within the college campus and hostels.
- Additionally, staff members should occupy the middle rows in college buses to ensure better supervision.

## Action taken

The anti-ragging and squad meeting was conducted on 27.07.2022 and the following actions to be taken.

- To prevent ragging incidents within the college campus, anti-ragging squads have been established in each department, and faculty members have been assigned specific areas to monitor during intervals and lunch breaks.
- Wardens and hostel staff have received instructions to closely monitor activities within the hostels.
- Senior students have participated in dedicated awareness sessions to understand the consequences and legal complications associated with ragging.
- Posters and notices have been prominently displayed on all notice boards to raise awareness.
